

QUALITY POLICY STATEMENT

SPL Powerlines UK Ltd. (SPL) and Power & Infrastructure Resourcing Ltd. (P&I) provides high-quality, reliable turnkey OHLE services and products, on time, that meet the requirements and expectations of our customer, while continually striving to improve.

From design through to installation and commissioning to final testing; SPL is fully committed to our Integrated Management System (IMS), which has been developed and implemented based on ISO9001 to consistently provide the highest standards of quality and professionalism in all areas of our business activity. The IMS is applied diligently to all our activities, from individual tasks to full-scope projects, to ensure that all quality objectives are met.

SPL are committed to:

- Taking accountability for the effectiveness of the IMS
- Ensure the quality policy and quality objectives are established for the IMS and are compatible with the context and strategic direction of the Company. Quality objectives have been set and are maintained as part of the IMS internal auditing, monitoring and management review processes, to enhance customer satisfaction.
- Satisfying applicable requirements by ensuring that those associated with interested parties, statutory and regulatory requirements are determined and consistently met.
- Determine, monitor, and review internal and external issues, relevant to the purpose and context of the business and its strategic direction, that affect the ability of the IMS to achieve its intended results
- Continual improvement of the IMS by ensuring the risks and opportunities that can affect conformity of products and services and the ability to enhance customer satisfaction are determined and addressed and the focus on enhancing customer satisfaction is maintained
- Promote the use of a process approach and risk-based thinking
- Communicate the importance of effective quality management and of conforming to the IMS requirements.

This policy will be communicated to all employees and organisations working for or on our behalf.

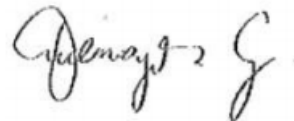

Employees and other organisations are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be reviewed annually by senior management and where deemed necessary will be amended and re-issued. Previous versions of this policy are archived.

This policy is available to relevant interested parties, upon reasonable request.
